

## Ohio Association for Institutional Research and Planning

### Spring 2006 Conference Registration/Membership Form

If you **did not** already pay dues for the full 2005-2006 academic year, use this form to join OAIRP and register for the Spring 2006 conference.

If you **did** pay full-year dues and plan to attend the spring conference, simply RSVP to the OAIRP treasurer using the contact information blanks at the bottom of this form.

The price for partial-year membership/spring conference registration is \$50 (\$25 for students). Advance payment would be appreciated, but is not necessary. It's OK to make payment at the conference or afterward.

However you handle payment of membership/registration fees, please inform OAIRP as soon as possible of your intention to attend the April 7, 2006 conference on Stark Campus at Kent State University in Canton, OH. This will help OAIRP provide full accommodations at the lowest possible cost.
